JULY 2020

BUSY MONTH?

RUNNING OUT OF DATA?

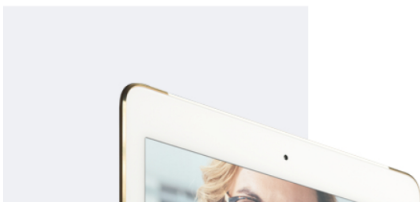

NO PROBLEM – GIVE YOURSELF A BOOST!

We're sure your monthly data allowance covers you most months but every now and again, you may be caught short.

Introducing Data Boosts. Now you can boost your data allowance any time you want.

Data Boosts temporarily increase your monthly data allowance, helping you avoid additional charges.*

*Please refer to the Terms & Conditions for more details.

CHOOSE THE SIZE

CHOOSE THE SIZE OF YOUR BOOST

You can now boost your data any time you want with 1GB, 2GB 5GB and 8GB Data Boost options. What's more, if you're caught short near the end of the month and have already boosted your data, you can add another one (or two) Boosts – you just can't add the same Boost amount twice in one month! So, if a 5GB Boost has already been added, you can request a 2GB or 1GB Boost (you can't have another 5GB). You could even add them together to get a 3GB Boost!

1GB	£8.33
2GB	£12.50
5GB	£19.50
8GB	£25.00
