

## FOR BUSINESS PEOPLE ON THE MOVE

Stay connected when you step off the plane. Global Data is our monthly roaming bolt-on that works in ALL countries outside the UK and plan.com Europe Zone.

Any data that you use in a Global Traveller destination (anywhere outside the UK and plan.com Europe Zone) is included in the bolt-on allowance, no matter where in the world you travel while roaming.

Global Data is available in 500MB, 1GB and 2GB options for Essential connections, 3GB for Gold connections and 4GB for Platinum.

## TAILOR YOUR EXPERIENCE

my.plan is packed full of powerful insight and features designed for businesses of any size.

However, every business is different and so is every user. That's why we've introduced three levels of connectivity – **Essential, Gold and Platinum** – so you can choose the level of insight, control and support that fits your business and connectivity needs.
